

⚠ The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, visit azblue.com/2023INDbooksOn. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms see the Glossary. You can view the Glossary at www.healthcare.gov/sbc-glossary/ or call 1-877-475-8440 to request a copy.

Important Questions	Answers	Why This Matters:
What is the overall deductible?	<p><u>In-network</u>: \$2,000/individual and \$4,000/family</p> <p><u>Out-of-network</u>: \$9,000/individual and \$18,000/family</p>	<p>Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u>, each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u>. Unless a <u>copay</u>, fee, or other percent is shown, the <u>coinsurance</u> percent of the <u>allowed amount</u> that you pay for most services is 25% <u>in-network</u> and 50% <u>out-of-network</u>.</p>
Are there services covered before you meet your deductible?	<p>Yes. <u>Preventive care</u>; <u>primary care</u> and <u>specialist</u> office visits; generic (tier 1) and preferred brand (tier 2) <u>prescription drugs</u>; <u>urgent care</u> visits; mental health/substance use disorder outpatient office visits; outpatient speech therapy, occupational therapy, physical therapy; <u>hospice services</u>; child eye exams; children's eyeglasses; and children's dental check-ups are covered <u>in-network</u> before you meet your <u>deductible</u>.</p>	<p>This <u>plan</u> covers some items and services even if you haven't yet met the annual <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply.</p> <p>For example, this <u>plan</u> covers certain <u>preventive</u> services without <u>cost sharing</u> and before you meet your <u>deductible</u>. See a list of covered <u>preventive</u> services at https://www.healthcare.gov/coverage/preventive-carebenefits/.</p>
Are there other deductibles for specific services?	No.	You don't have to meet <u>deductibles</u> for specific services.
What is the out-of-pocket limit for this plan?	<p><u>In-network</u>: \$8,700/individual and \$17,400/family</p> <p><u>Out-of-network</u>: \$18,000/individual and \$36,000/family</p>	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members on this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.
What is not included in the out-of-pocket limit?	<u>Premiums</u> and costs for health care this <u>plan</u> doesn't cover.	Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .

Important Questions	Answers	Why This Matters:
Will you pay less if you use a <u>network provider</u> ?	Yes. See www.azblue.com or call 1-877-475-8440 for a list of <u>in-network providers</u> .	This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what your plan pays (<u>balance billing</u>). Be aware your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
Do you need a <u>referral</u> to see a <u>specialist</u> ?	No.	You can see the <u>specialist</u> you choose without a <u>referral</u> .

- All copayment and coinsurance costs shown in this chart are after your deductible has been met, if a deductible applies.
- For eligible Native American Indian or Native Alaskan members enrolled in a qualified health plan purchased through the Health Insurance Marketplace, cost share is waived for covered services from the Indian Health Service, Tribe, or a Tribal or Urban Indian Organization, or through referral under contract health services, regardless of the provider's contract status.

Does this plan provide Minimum Essential Coverage? Yes

Minimum Essential Coverage generally includes plans, health insurance available through the Marketplace or other individual market policies, Medicare, Medicaid, CHIP, TRICARE, and certain other coverage. If you are eligible for certain types of Minimum Essential Coverage, you may not be eligible for the premium tax credit.

Does this plan meet the Minimum Value Standards? Not Applicable

If your plan doesn't meet the Minimum Value Standards, you may be eligible for a premium tax credit to help you pay for a plan through the Marketplace.

About These Coverage Examples

This is not a cost estimator. Treatments shown are just examples of how this plan might cover medical care. Your actual costs will be different depending on the actual care you receive, the prices your providers charge, and many other factors. Focus on the cost sharing amounts (deductibles, copayments and coinsurance) and excluded services under the plan. Use this information to compare the portion of costs you might pay under different health plans. Please note these coverage examples are based on self-only coverage.
