

The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. **NOTE:** Information about the cost of this plan (called the premium) will be provided separately. **This is only a summary.** For more information about your coverage, or to get a copy of the complete terms of coverage, visit azblue.com/2020INDbooksOn or call 1-877-475-8440. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms see the Glossary. You can view the Glossary at healthcare.gov/sbc-glossary or by calling 1-877-475-8440 to request a copy.

Important Questions	Answers	Why this Matters:
What is the overall <u>deductible</u> ?	\$8,150/member and \$16,300/family	Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> . Unless a <u>copay</u> , fee, or other percent is shown, the <u>coinsurance</u> percent of the <u>allowed amount</u> that you pay for most services is 0% ("no charge after <u>deductible</u> ") <u>in-network</u> .
Are there services covered before you meet your <u>deductible</u> ?	Yes. <u>In-network preventive care</u> office visits are covered before you meet your <u>deductible</u> .	This <u>plan</u> covers some items and services even if you haven't yet met the annual <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive</u> services without <u>cost sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive</u> services at https://www.healthcare.gov/coverage/preventive-carebenefits/ .
Are there other <u>deductibles</u> for specific services?	No.	You don't have to meet <u>deductibles</u> for specific services.
What is the <u>out-of-pocket limit</u> for this <u>plan</u> ?	\$8,150/member and \$16,300/family	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members on this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.

Important Questions	Answers	Why this Matters:
What is not included in the <u>out-of-pocket limit</u> ?	<u>Premiums</u> and costs for health care this <u>plan</u> doesn't cover.	Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .
Will you pay less if you use an <u>in-network provider</u> ?	Yes. See www.azblue.com or call 1-877-475-8440 for a list of <u>in-network providers</u> . Most <u>in-network providers</u> located only in Pima County.	This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's network</u> . Be aware your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). This <u>plan</u> does not cover services by <u>out-of-network providers</u> except in very limited circumstances. Check with your <u>provider</u> before you get services.
Do you need a <u>referral</u> to see a <u>specialist</u> ?	Yes. You need a <u>referral</u> to see most <u>specialists</u> .	This <u>plan</u> will pay some or all of the costs to see a <u>specialist</u> for covered services, but only if you have a <u>referral</u> before you see the <u>specialist</u> .

All copayment and coinsurance costs shown in this chart are after your deductible has been met, if a deductible applies.

Focus on the cost sharing amounts (deductibles, copayments and coinsurance) and excluded services under the plan.
